File Description For Master Data

Column Name	Column Description
As of Date	The last day of the quarter of data represented in this dataset.
Federal Agency	Federal Agency corresponding to the State Agency. Valid value: US DOT
Funding Source	Federal Agency that is the funding source for the state Agency, DOT Valid value: FHWA
Program Description	Short Description of the Emergency Relief program or any new program
Project Site #	The site # of a DOT project related to Superstorm Sandy.
Project Description	A textual description of a DOT project related to Superstorm Sandy. For example: 5 = Major sinkhole repair including curb repair and repair/reconstruction of Type-B inlet storm sewer structure.
Project Type	The type of project that the funds are being used for. Example: FHWA-Emergency Repairs of Roads, Traffic Lights and Bridges.
County	This is the name of a county where a Superstorm Sandy related project was worked on. This column may have a single name of a county, a value of 'Statewide' for projects being worked on at a State level, or it will contain the value 'Multi County' for those projects that cross more than on County. A comma separated list of multiple counties relating to one project detail is in the column.
Municipality	This is the Municipality name or names that pertain to a particular project detail. This column may contain either one Municipality Name, multiple Municipality Names separated by commas, 'statewide', etc.
Vendor	Vendor Name. The name of a vendor who is doing work for DOT on Superstorm Sandy-related projects(s). NPO, direct vendors

Sandy – Department of Transportation (DOT)

Column Name	Column Description
Applicant	Applicant/recipient of the funds. Example: NJ DOT
Route	The roadway generally affected by the storm.
Direction	The direction of the roadway where work is occurring.
Mile Post Start	The mile post marker where the work begins.
Mile Post End	The mile post marker where the work ends.
Location	General description of the location of the work.
Damage Description	Brief Description of the proper work done at the particular site to return damaged area to Pre-Sandy conditions.
Structure #	Particular Structure being worked on.
Completion Date	The date when the work was completed.
FHWA Obligated Amount	Amount of money the Federal Highway Administration (FHWA) has set-aside for a particular project. This amount may not include total cost, but rather reflects the amount that FHWA will reimburse for a particular project. FHWA will reimburse 80, 90 or 100% of the project costs depending upon the type of project.
Labor Amount	The cost of labor for the project.
Equipment Amount	The cost of equipment needed for the project.
Material Amount	The cost of material needed for the project.
Total Cost	The total cost of the project, including both FHWA reimbursed amounts and other costs.
Awaiting FHWA Amount	Money paid out by the New Jersey Department of Transportation in advance of the expected reimbursement from FHWA.
FHWA Reimbursement Amount	The amount of money actually reimbursed by FHWA.
Agency Cost	The amount of money actually expended by the agency administering the project. This may reflect an amount more or less than the FHWA reimbursed amount depending upon timing and the FHWA reimbursement rate.
Obligated Amount	Funds committed to this project but not yet spent
Disbursed Amount	Measureable quantity for which the funds were disbursed
